

Enhancing Digital Security

“Capture the Flag” Security Workouts

Overview

Putting Your Skills to the Test.

Existing security experts or trainees who have completed the full suite of our foundational or expert series of specialisation training can test their knowledge with a set of 10 or 30 challenges that will determine their cybersecurity readiness.

Fee:

Online Workout 10:
S\$2410

Online Workout 30:
S\$7229

Duration:

Online Workout 10:
1 Month

Online Workout 30:
2 Months

Who Should Attend?:

- Existing security experts who like to test their cybersecurity readiness
- Trainees who have completed their foundational or expert series of specialisation training

Registration:

For registration enquiries, please email sg_marketing@nec.com.sg

Workshop Objectives

Through this workshop, you will learn the following:

Test your cybersecurity readiness or newly acquired knowledge from specialisation training

Experience real world scenarios based on foundational or expert levels

Equip yourself with confidence to handle cybersecurity issues
