NEC

Enhancing Digital Security

SOC Analyst Expert

Overview

Enabling the swift detection, containment and eradication of threats.

Finding attack traces and irregularity in logs help to identify security breaches and lead to the containment of cybersecurity threats. This course will offer techniques to correlate multiple log sources, identify sign of attacks and place catered detection rules.

Fee:
Online + Hands-On:
S$1500

Online Only:
S$720

Duration:
Online + Hands-On:
40 Hours

Online Only:
20 Hours

Who Should Attend?:
● Completed Cybersecurity Capacity Building (Basic)
● Security engineers with 5 years+ experience
● Future cybersecurity experts

Registration:
For registration enquiries, please email
sg_marketing@nec.com.sg
